

Make your home more energy efficient

Want to make your home more efficient but don't know where to start?

If you've been thinking about how to be more energy efficient but you're at a loss as to which low carbon technologies would be best for your home, or how to access available grants and funding, Northern Powergrid can help.

The Priority Services Register (PSR) is a free UK wide service which provides extra advice and support when there is an interruption to your electricity supply. Scan the QR code to sign up or call Northern Powergrid on **0800 169 2996**.

We want to make sure no one is left behind as we move to a zero carbon future, so we have partnered with a number of agencies to give you free independent advice on how to decarbonise your home in the long term and save money on your energy bills.

YES Energy Solutions' expert advisors provide free, personalised advice that sees the average resident make savings of over £500 on their annual energy costs. Contact: **0333 034 8188** or scan the QR code to complete the contact form.

National Energy Foundation offers bespoke advice on energy efficiency measures, schemes and incentives that can be implemented to reduce energy consumption and bills.

This may include advice on insulation, heating systems, lighting, and appliances. Contact: phone **0800 107 0044** or scan the QR code to email.

Green Doctor can provide a retrofit assessment of your property to identify changes possible to your home to reduce energy bills. Contact: phone **0300 303 3292** or scan the QR code to complete the contact form.

Communitas Energy identify opportunities for the decarbonisation of homes and achieving affordable warmth and offer tailored advice on funding and access. Contact **0113 486 2941** or scan the QR code.

Stockton Citizens Advice (SDAIS) will provide advice on the energy efficiency measures that are available and provide ongoing support to assist clients through to installation. Contact: **01642 633 877** or scan the QR code to complete their contact form.

* All services are telephone services and available to all Northern Powergrid customers except Stockton Citizens Advice (SDAIS) which is available to customers in Stockton.

All information can be made available in other languages, braille and BSL, on request. Contact details can be found here [northernpowergrid.com/contact](https://www.northernpowergrid.com/contact) or scan this QR code.
