HELP WITH SECTION 1a Registration

Please provide your full correspondence address including any street number and your full postcode. It is often easier to contact you by email or mobile phone. Please provide these details if you are happy for us to contact you via these methods.

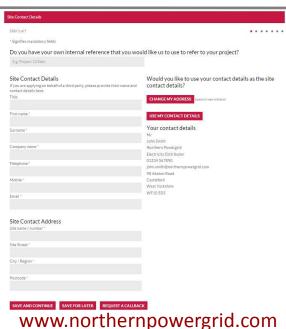

HELP WITH SECTION 2 Site contact details

For each application, we will provide you with a unique Northern Powergrid reference number.

If you have multiple applications with us, you may want to provide a different reference for each. This will help with identifying each one if we need to discuss them with you.

If the site contact details and address is different to the address provided in section 1 then please provide us with the full contact name, telephone number and address including street number and full postcode. If not, please select 'use my contact details'.

HELP WITH SECTION 4 Your site plan

For us to be able to provide you with an estimate you only need to provide us with a site location plan showing the site boundary/ownership, you can do this using our handy online mapping tool.

For us to be able to provide you with a quotation you will need to provide us with:

- a site location plan showing the site boundary
- a plan, at an appropriate scale (preferably scaled 1:500) which indicates your proposed work.

HELP WITH SECTION 5 Contact Preferences

It is often easier to contact you by email or mobile phone, but it is your choice. Please tell us how you would like us to contact you if we have a query and how you would like to receive your quotation.

HELP WITH SECTION 6 Additional information

Please let us know if there anything else that you can tell us that may help us when preparing your quotation, and if you have additional documentation that may assist us then upload this here.

HELP WITH SECTION 7 Site information

The questions in this section will help us assess if there are any environmental issues that we will need to consider while completing your connection. We recognise that a proportion of our activities have an effect on the environment and we, are therefore, committed to complying with relevant environmental legislation, other important environmental obligations and a policy of pollution prevention.

HELP WITH SECTION 8 Your work date

Please provide us with the date you would like us to carry out our work and the date you expect to complete your work on site. We will use these dates as a guide but we will contact you on acceptance of a quotation to arrange and confirm a suitable date.

HELP WITH SECTION 9 Review and submit

Please check that all the information you have entered is correct. If you are happy with your answers then submit your application.

What happens next?

We will check your submission and contact you to confirm your requirements.

We will update your online account with the name and contact number of the designer who will prepare your quotation.
