# 1. Explanatory Notes

## 1.1 Introduction

This statement has been prepared by Northern Powergrid (Northeast) Ltd in accordance with the requirements of standard condition 36 of its electricity distribution licence (“the Licence”) issued under the Electricity Act 1989 (“the Act”). Words and expressions that are defined in the Act and are used in this statement have the definitions given to them in the Act and should be construed accordingly.

This statement describes the service of providing Metering Point Administration Services and Data Services offered by Northern Powergrid (Northeast) Ltd and sets out the basis of the charges made by Northern Powergrid (Northeast) Ltd for such service.

The charges in this statement relate to the provision of Metering Point Administration Services and Data Services as defined in standard condition 18 of the Licence.

The Licence requires that the terms and charges contained in this statement should be reviewed at least once each year. Charges and costs shown are current at the time of publication and will not be changed except as provided for in the relevant Distribution Connection and Use of System Agreement (DCUSA) and subject to the requirements of standard condition 36 of the Licence.

## 1.2 Fee for Statement

Standard condition 36.5 of the Licence states that:

*The licensee may make a charge for any Charging Statement given or sent under paragraph 36.4(b) but this must not exceed the amount specified in directions issued by the Authority for the purposes of this condition generally, based on the Authority’s estimate of the licensee’s reasonable costs of providing the statement.*

Northern Powergrid (Northeast) Ltd does not propose to charge for providing single copies of the statement where these are downloaded, in PDF format, from the Northern Powergrid website. Access to this facility can be gained at [www.northernpowergrid.com](http://www.northernpowergrid.com).

## 1.3 Entitlement

In accordance with standard licence condition 35, upon application Northern Powergrid (Northeast) Ltd will offer to enter into an agreement with any person for the provision of Metering Point Administration Services and Data Services within its distribution services area, specifically:

*35.3 On application made by any person, the licensee must (subject to paragraph 35.9), except with the consent of the Authority, offer to enter into an agreement for the provision within its Distribution Services Area of Metering Point Administration Services under and in accordance with the provisions of the Master Registration Agreement.*

*35.4 On application made by any person, the licensee must (subject to paragraph 35.9), except with the consent of the Authority, offer to enter into an agreement for the provision of Data Transfer Services.*

## **1.4 Right of Determination**

This statement describes the provision of Metering Point Administration Services and Data Services and the basis on which Northern Powergrid (Northeast) Ltd will charge for this service. It is not a formal offer of terms for the provision of such services.

For information, in accordance with standard condition 35.11 of the Licence, any applicant who has been unable to reach agreement with Northern Powergrid (Northeast) Ltd on terms for the provision of Metering Point Administration Services or Data Services may seek determination by the Gas and Electricity Markets Authority (GEMA). Any applicant wishing to seek such determination should contact:

Office of Gas and Electricity Markets Authority  
10 South Colonnade  
Canary Wharf  
London  
E14 4PU  
Tel: 020 7901 7000

## **1.5 Contact Details**

If any applicant wishes to discuss the contents of this statement, or request terms for the provision of Metering Point Administration Services or Data Services by Northern Powergrid (Northeast) Ltd, please contact:

Registration Services Manager

	Rejection of manual instructions from a supplier (per instruction)	Charge waived
Reports	Activity	Price
	Profile Administrator Report BSC Panel	Charge waived
	Report to the Data Aggregator detailing the last file sequence number transmitted	Charge waived
	Ad hoc MPAS data reports, based on the time taken to facilitate such as request	Individual quotation with a minimum value of £36.00*

Notes:

\*Activities that state “individual quotation” require assessment prior to a specific cost being provided. The cost of each activity will be calculated on a time and material basis. Any time and material assessment will include costs outside the MPAS activity such as I.T. costs including implementation costs, software licence costs and ongoing support costs, from our I.T. provider and / or third party providers.

### 3. Charges for the provision of Metering Point Administration Services and Data Services (SLC36)

Northern Powergrid (Northeast) Ltd is able to provide a Metering Point Administration Service for premises connected to another Licensee's distribution network which is embedded in Northern Powergrid (Northeast) Ltd distribution area. As per Standard Licence Condition 35 paragraph 35.4 upon application made by any person, Northern Powergrid (Northeast) Ltd shall (subject to paragraph 35.9) offer to enter into an agreement for the provision of data transfer services. In making the offer Northern Powergrid (Northeast) Ltd shall meet all requirements set out in Standard Licence Condition 35 paragraphs 6, 7 and 8.

The indicative costs that are provided in the offer shall include costs for:

Activities	Indicative costs	
	Initial set up cost	Ongoing costs
All activities pursuant and in accordance with the provision of the Master Registration Agreement (MRA)**	Not applicable	Individually quoted
All necessary costs relating to Metering Point Administration Service and Data Transfer Services information technology	Individually quoted	Individually quoted
Telephony costs associated with the provision of a enquiry service including dedicated line	Individually quoted	Individually quoted

\*\* This cost will include the purchase of an additional MPAS system licence, support from the application developer, initial upload of data into the system and hardware and system support from the Northern Powergrid (Northeast) Ltd IT service provider. Data transfer and hardware charges for the electronic interfaces with suppliers and other settlement parties would be over and above this as would their implementation by both the data transfer service provider, our IT service provider and any testing on our part.

Applications should be made to [mpas@northernpowergrid.com](mailto:mpas@northernpowergrid.com) and should be clearly marked for the attention of the Registration Services Manager. Alternatively applications via letter should be sent to:

Registration Services Manager  
Northern Powergrid  
Manor House  
Station Road  
New Penshaw  
Houghton-le-Spring  
Tyne & Wear  
DH4 7LA
