

Outline planting plan

Clough Road

Proposal:

- Overseeding the grass along the perimeter of the playing field and on the grass verge outside numbers 58 & 60 with low growing native perennials (wildflower mix)
- A number of trees along the fence line

Tree and wildflower varieties

Field Maple

Silver Birch

Bird's Foot Trefoil

Self Heal

Ox-Eye Daisy

Red Clover

White Clover

Buttercup

Proposal:

- Up to 10 x Small Trees

Varieties:

- Field Maple (approx 7m high by 4m spread after 20 years)
- Silver Birch (approx 7m high by 4m spread after 20 years)

Ryde Avenue

Proposal for the area around the playground:

- A number of small shrubs
- Overseeding of sections of existing grassland with low growing native perennials (wildflower mix)

Abbey Way

Beverley & Barmston Drain

Proposal:

- Overseeding of sections of existing grassland with low growing native perennials (wildflower mix)

Note

Wildflowers will take up to two years to flower but will provide longer term colour and benefits than annuals and will tolerate cutting.
